

Haymarket SURGERY CENTER

Your Surgeon is _____ Surgery date _____

Surgeon's phone number _____

We are happy to have you scheduled for a procedure at Haymarket Surgery Center. We will contact you prior to surgery to gather health information and go over pre-operative instructions. The day before your surgery, we will call or text you with an arrival time. Typically, you will be asked to arrive at least 60 minutes prior to your procedure time but we will give you a definite time when we speak with you or text you.

We can be reached at 571-445-3800 Monday thru Friday from 8:00 am until 4:00 pm. Our fax number is 571-261-9812. We are located at 15195 Heathcote Blvd, Suite 210 in Haymarket in the Heathcote Health Center building to the left of Haymarket Medical Center. The Haymarket exit has

been redesigned so be careful when exiting. We are at exit #40 on Interstate 66. If coming from Front Royal/ Winchester, take exit #40 and keep left to merge onto Hwy 15 then go through the first light you come to and move over to the left where there are left turn lanes that go onto Heathcote Blvd. If coming from Manassas, take exit #40 and stay in the center of the exit as there are turn lanes in front of you through the light that lead onto Heathcote Blvd. If you miss the turn lanes, you can go up one light and make a u-turn to come back down to the light at Heathcote. Once on Heathcote, we are up the hill and the first available left turn. Park in the lot to the left of our building and enter under the overhang (entrance #7). As you enter the building, bear to your left and you will see the elevators in the lobby area on your right.
